PORTFOLIO DOBERMANN

An unusual background for an unusual film...

VIDEO PORTFOLIO

DOBERMANN NIVIUK

The Spanish manufacturer asked Antonin Michaud Soret to film a promotional video for their freestyle/slalom paramotor wing, the Dobermann.

“Because the best adventures are those which defy all reason, Ramón Morillas, Nico Aubert and Aurélien Ganaye are the protagonists in this new video about the passion behind each flight.” - Niviuk

For a video promoting a wing, it’s pretty unusual. Here’s the “Making of...” in photos.
